CALL FOR PAPERS, FILMS, AND SCIENTIFIC EXHIBITS

The 1969 annual meeting of the American Cleft Palate Association (Houston, April 14–17) has been designated as the 1969 International Congress on Cleft Palate. Because of the nature of the meeting, a variety of program features is planned. These features, together with details about submission procedures, are described in material which was mailed, in late June, to all members of the Association, to subscribers to the Cleft Palate Journal, and to others who have expressed an interest in the Congress. The deadline for abstracts of all kinds is October 1, 1968.

If perchance you did not receive this material or if you wish additional information, please make inquiry to one of the following individuals, according to the nature of the inquiry.
