GENERAL INFORMATION

The Cleft Palate Journal is a quarterly publication of the American Cleft Palate Association. It appears in January, April, July, and October and is printed by Waverly Press, Inc., Mt. Royal and Guilford Avenues, Baltimore, Maryland 21202. Second Class postage is paid at Pittsburgh, Pennsylvania, and at additional mailing offices.

Manuscripts and related correspondence should be addressed to Betty Jane McWilliams, Ph.D., Editor, Cleft Palate Journal, Cleft Palate Center, University of Pittsburgh, Pittsburgh, Pennsylvania 15261. More detailed “Information to Contributors” will be found inside the back cover.

Material contained in the Cleft Palate Journal may be reproduced for educational purposes provided that both the author/s/ and the Journal are appropriately recognized. Otherwise, duplication is not permitted. No articles or portions thereof may be published in books, journals, or magazines or by any other means without written permission from the authors and from the Cleft Palate Journal.

Subscription rates, effective January, 1977, are $35.00 per calendar year both in the United States and abroad. Single copies are available at $9.00 per issue.

Subscriptions, orders for back copies, and business correspondence should be addressed to Mrs. Flora P. Berk, Administrative Secretary, American Cleft Palate Association, 331 Salk Hall, University of Pittsburgh, Pittsburgh, Pennsylvania 15261. Address changes should be sent to the Administrative Secretary at least one month prior to the change. Subscribers and ACPA members must notify the Post Office that they will guarantee postage for the forwarding of undelivered copies. Other claims for undelivered copies must be filed within one month of the expiration of the subscription year.

The CLEFT PALATE Journal
(ISSN 0009–8701)

The Cleft Palate Journal is an international publication designed to reflect research and clinical activities in the many fields concerned with the study and treatment of cleft lip and cleft palate, other craniofacial anomalies, and related problems. Publication of articles in this Journal should not be interpreted as an endorsement of the material contained therein.
