Mr Wm M Darlington,

Dear Sir,

At my friend Mr John Jordan's request, I send for your personal a translation I made of Rev Bro. Etowah's narrative of the migration of the "Morav" Indians to the Big Beaver in 1772 - Please keep it for leisure study - and I would deem it a great favor - would you add or make annotations, as particular as possible - to any fact, or name, or locality in your power - and give me all you know of the settlement or two on the Big Beaver - as we design publish the narrative fully annotated - It is an exceedingly interesting piece of history - You can return it when you please - as there is no haste at all in the matter. Hoping to hear

from you,

I am Sir

Truly yours

W. C. Reichel
