

1 DF: Yeah you'll get that attitude, a friend of mine moved to, bought a house in McKees Rocks because it was only fifteen thousand dollars=

2 BJ: =Mmm hmm

3 DF: and he, he lives in the bottoms which, ((laughing)) you know, nobody moves to the bottoms=

4 BJ: =yeah

5 DF: uh, but he, he goes to the community meetings every week now, he's really active and that makes him one of very few people in McKees Rocks that's, active. But he said, uh, when when when uh, the artist from the Community Mural Project was there, uhm, this was, months ago now it's done but, before that, ((swallows)) she had uh come eh to the, with the, to the mayor and the council there and said "What, needs to be done to heal this town?" You know which was [you know, that's how, right]

6 BJ: [heal this town ((sarcastically)) ]

7 DF: right right you and I laugh. Uhh but eh, but at the same time, the mayor immediately responds "There ain't nothin' wrong wid' dis tahn!"

8 BJ: ((laughs))

9 DF: And ((laughing)) you know and so there's, you know I guess there's that there's that tension there ...
