BUSINESS INSTITUTE

Presents

“Special Meeting on How to do Business with CCAC”

Dr. Alex Johnson, President of the Community College of Allegheny County will be hosting a special meeting for Chamber Members who are interested in submitting bids for the K. Leroy Irvis Science and Technology Center. The multi-million dollar *State-of-the-Art* facility is being developed to reflect the diversity of the Honorable K. Leroy Irvis. A reinstatement bid for construction of the center was recently sent to you.

It is imperative that you make this special meeting if you intend to submit a bid as a prime or sub-contractor.
