Upcoming Programs for Members Only.

July 17th

Doing Business-CCAC

Corporate Sponsor Dr. Roy Flores will have his procurement officers and those who make contract & purchasing decisions available to meet you & discuss how to do business with the college. Continental breakfast and an optional lunch is planned. RSVP early to our office and indicate if you are staying for lunch. By now you should have received the announcement.

August 15th

How to use the Media

Member Rodd Doss will facilitate the panel discussion, along with Members from the Business Times & Renaissance Publications that will help you get the

most out of the media. It will be conducted over lunch. Your notice will be sent mid-July.

Those in the highway construction industry or training may want to attend a **Town Meeting** on identifying the barriers that prohibit minority participation within the Federal Department of Transportation. Your Chamber will serve as the Co-Host for this July 24th (5-8 PM) meeting. It is open to the public and will be held in the Regional Enterprise Tower. Your input is needed, given the proposal is to reduce the GOALS to 7% minority participation!!

You are encouraged to offer your input as the County deliberates the Living Wage Legislation. Many of you responded that you were not aware when the city passed the legislation. Now is the time to express your concerns to your County Council Representative.

Don't delay. Time is of the essence.

Our region has gained the expertise of Mr. Ronnie Bryant, the new President of the Pittsburgh Regional Alliance. He and his family are in the process of relocating to Pittsburgh from St. Louis. Stay tuned, he will be invited to address the membership.

Secretary Gary Crowell has agreed to accept many of our suggestions for changes to the SERBS (socially & economically restricted businesses) language. Although he has accepted the position of Assistant Director of FEMA (federal emergency management assistance), he has instructed Gary Lee, Director to work on their implementation. Once we receive the Secretary's letter of confirmation, an announcement on how Chamber Members should proceed will occur.

Don't forget beginning July 12th, you must use a ten-digit number when making all telephone calls, regardless of the area code. You must also change your auto-dialing and internet connections. Be patient, it will take some getting use
