April 10th is the State-wide Candidates Forum. The media, including the Pa. Cable Network, and the Associated Press will be covering our Forum! This means you should plan to arrive by 4:00 PM for us to begin at 4:30 sharp. Joseph Preston & Patrick Dowd**, Member **Rep. William Robinson & Jake Wheatley**. Each has been given the two questions you are most interested in: What have you done to support minority business and if elected, what will you do to support and contract with minority business? We need all members to support this important event. There will be complimentary refreshments & a cash bar. RSVP to the office & plan to arrive early. We will begin on time!

The April 19th Power-Breakfast should prove beneficial. Your input is needed on the Airport Multi-Modal Corridor Project. By now you have found a way to get around the closing of the outbound lanes of the Fort Pitt Tunnel, or maybe you need the help of 'CONEMAN'. Member Mariann Geyer (PDP) offers a website to get detour routes &

schedules for construction projects, PAT info, maps, special events & PennDot's website for detours. Click on www.coneman.com. To make things easier, you can also get up to the minute traffic info & view images on Penn Dot's website: www.eopenndot.com/traffic_cams.php The cameras update themselves every 60 seconds so check it out before leaving home or work.

Thanks for responding to our request for your specific areas of expertise. We are updating our website for companies to inquire for e-commerce procurement. Over the next month, we hope to complete entering the information for easier company access.
