APRIL 2006

This monthly newsletter is prepared solely for members, supporters, & sponsors of the African American Chamber of Commerce of W. PA.

Join me in welcoming Kyle Henderson, to our staff, assigned to grow the membership base & implement programs.

Your Chamber ranked 12th among the top 25 Chambers in the Pgh area by the Pittsburgh Business Times! Chief Executive Dan Onorato presented his plans for economic development at the Power-Breakfast Meeting. Two major areas are the Airport corridor & the Mon Valley.

The Members Mixer at the Carnegie Museum of Art was educational. Director Richard Armstrong explained how over 80,000 photos of the Teenie Harris collection will be shared with the August Wilson Center for African American Culture. Members then viewed Phase II of the archives & entered names of people they identified into a database. Our sponsor was Member Robert Agbede (ATS/Chester Engineers). It was an evening full of networking & lots of fun!
