

Developing & Strengthening Your Business Plan

Friday, October 22, 2004
8:30 AM - 10:30 AM
One Hope Square 1901-15 Centre Avenue
Suite 203
Conference Room
Pittsburgh, PA 15219

*Designed for entrepreneurs who are developing,
or wish to update their business plan.*

A well-prepared business plan is more than a necessary tool to seek funding; it's a roadmap for your business's growth strategy. This workshop will acquaint you with the vital components of a written plan, what to include when applying for funding, tips for marketing, and how to use your plan when recruiting new employees. Session includes a program booklet, & examples.
