

## African American Chamber hosts Diabetes Workshop

**WORKSHOP**—The African American Chamber of Commerce of Western Pennsylvania Business Institute hosted "Diabetes: The Silent Killer—Self Management of a Chronic Disease" at Allegheny General Hospital, Magovern Conference Center in the North Side. The workshop was facilitated by Dr. Lenore Coleman, the author of "Healing Our Village: A Self Guide to Diabetes Control." There were free diabetes and high blood pressure screenings. For more information, call 412-392-0610 or e-mail [information@aaccwp.com](mailto:information@aaccwp.com). (Photos by J.L. Martello)
