

Green Building Alliance and the African American Chamber of Commerce of Western Pennsylvania present

"The Future of Green Jobs"

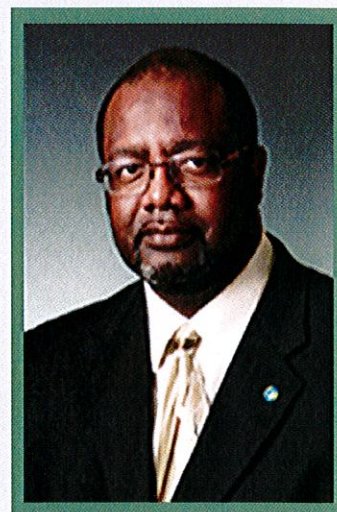

Lecture & Reception, Monday, March 30, 6 - 9 p.m.

Featuring **Jerome Ringo**, President, Apollo Alliance *Nationally acclaimed activist, unionist, author, lecturer, and environmentalist*

Jerome Ringo catalyzes crowds with his rousing speeches about the importance of a clean energy, good job economy - and the role we can all play in shaping a green-collar future for our community and providing real solutions for our energy crisis.

- Dedicated champion of environmental justice and advocate of clean energy
- 20-year veteran of Louisiana's petrochemical industry
- Union member who worked to secure a safe work environment and quality jobs
- 2005 Chair of National Wildlife Federation board
- U.S. Delegate at the 1998 Global Warming Treaty Negotiations in Kyoto, Japan

About the Apollo Alliance

The Apollo Alliance is a coalition of business, labor, environmental, and community leaders working to catalyze a clean energy revolution in America to reduce our nation's dependence on foreign oil, cut the carbon emissions that are destabilizing our climate, and expand opportunities for American businesses and workers.
