

BUSINESS INSTITUTE

Presents:

Workforce & The American Job Center Workshop

Thursday, April 27, 2017

11:30a.m. – 1:30p.m.

Koppers Building

436 Seventh Avenue

9th Floor - Board Room

Pittsburgh, PA 15219

This interactive workshop co-facilitated by **Ida Ford, PA CareerLink® of Allegheny County** and **Rebecca Young, Partner4Work**, formerly (3 Rivers Workforce Investment Board) will discuss how the Workforce system should be utilized to create and promote jobs creation. Both organizations work to make employers aware of available hiring incentives within Southwestern PA. If you are a Human Resource professional committed to a diverse workforce population or a Fiscal Agent responsible for bottom line results, this workshop can help aid you in uncovering innovative programs to save time and money spent throughout the recruiting and hiring process. There are a variety and full range of program options including job seeking Veterans and Individuals whom have lost jobs to “no-fault” of their own.

Come learn about your options!
