

The Chamber is Commemorating 20 Years of Service by Hosting a Half Day Golf Clinic

The Chamber is set to “tee-off” its first golf clinic, led by national player development expert and instructor, Anthony G. Stepney, PGA-- Professional Golfers' Association of America Certified Professional in Player Development, from Orlando, Florida. Bring your clubs (*if you have them*) to participate in an interactive workshop on various golf techniques including pitching, and full swing.

Come get engaged in the game and the business of golf!

Cost: \$175.00 per person

(Fee includes registration bag, continental breakfast, workshop, interactive clinic, customized handbook, certificate of participation and lunch)
